DESCRIPTION

McIntyre & Company Estate Agents are delighted to bring Lundie View to the market.

Lundie View is a superb bed & breakfast business that perfectly meets the needs of the growing local tourism market. Tourism is one of the biggest contributors to our local economy. Operating a successful bed & breakfast with the added bonus of independent owners accommodation can provide a highly desirable and profitable income. This is an outstanding business opportunity with the current owners Alan & Sharon establishing an excellent reputation with repeat visitors, great reviews and a high/full occupancy level during the holiday season.

This predominantly stone built former crofting cottage sits in approximately 0.6 acres was originally built around the 1850s and was extended around the 1970s. More recent enhancements to the property include a new roof, replacement En-Suites for the letting rooms, new electrics and double glazing and an all round freshen up of the décor.

The owners accommodation benefits from a large open-plan kitchen-diner-snug that has a sleek and modern fitted kitchen complete with integrated appliances and a breakfast bar. For the more formal occasions there is a private lounge-diner to the rear that can be accessed from the snug and hallway. The Two en-suite bedrooms are spacious with the master bedroom also boasting a walk in dressing area.

The letting accommodation is easily accessed yet can be separated completely from the owners accommodation. Each of the four letting rooms are spacious and beautifully presented with added comforts that include TV points and USB ports.

Although this is a modern bed & breakfast it still retains some of the original character and charm of the former crofting cottage. It boasts spacious living accommodation all in immaculate, walk in condition and with neutral décor throughout and provides a lovely, clean and contemporary home from home experience.
